

Amendment To The Bid Documents: Addenda 1

Amendment Date May 11, 2017

Port of Port Arthur Berth 5 Expansion Project

Questions:

62. Bid Date & Questions Extension Notice to Bidders We respectfully request a time extension of at least 2 weeks for the bid due date and the questions cutoff date. This project has a lot of details and with it being a Lump Sum it will take a lot more time to perform takeoffs.

79. Do to the site visit being on May 10, 2017, which is the same day as the cut-off day for questions. Can the cut-off date be extended to 3 business days after site-visit? The reason being we might have questions after our visit.

88. Can you confirm the question deadline? Bid documents say 10 days prior to the bid (which should be 5/14/17), but the Prebid agenda say by 5/10/17.

134. In addition to the time extension previously requested, we also respectfully request that the deadline for questions is extended by 2 week.
