

Addendum #1

Port of Port Arthur

RFQ 2024-08 Professional Engineering Services for Design of Foundation for Standby Generator

Addendum Date:6-27-2024

A. This Addendum shall be considered part of the RFQ documents for the above-mentioned project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original RFQ documents, this Addendum shall govern and take precedence. RESPONDENTS MUST ACKNOWLEDGE THE ADDENDUM ON THEIR SUBMISSION.

B. Respondents are hereby notified that they shall make any necessary adjustments in their estimates as a result of this Addendum. It will be construed that each respondents' submission is with full knowledge of all modifications and supplemental data specified herein.

Addendum No. 1 consists of the following:

- **The scope states that the generator will be elevated 3 to 4 ft above grade on a foundation. Will the scope also include elevated platform access at the top of concrete elevation?**
 - The foundation will need access, final determination on access will be determined during design.
- **Who is the RFQ to be addressed to?**
 - Please address to: Larry Kelley – Port Director; Port of Port Arthur Navigation District 221 Houston Ave. Port Arthur, Texas 77640
- **There is a section that mentions a PDF copy of the completed document needs to be submitted in addition to the other copies, but I am not seeing anything that directs me where to send this PDF file to?**
 - Please provide a flash drive with a scanned copy of the RFQ submission in PDF format along with the hard copies that are to be submitted.

Submission Date and Time remains the same
